IMPORA

A rapidly expanding distributor located in Belgrade, Serbia with self-managed warehouses and storage facilities, multiple logistics partners for Western and Eastern Europe, and a wide range of products spanning from kitchen equipment for the common household, to professional end-to-end full range of HORECA equipment and hardware.

We provide outstanding service to our customers, and we are on a mission to become a one-stop shop for retailers, distributors, hotels, restaurants and cafe’s, and elevate their operations to a higher level.

Young, fresh, light and still fantastically efficient, Squality® comes out of the same production lines as Gastrolux®.

Our craftsmen and engineers have managed to concentrate all technologies and components in a thinner, lighter but just as efficient line.

The innovative, Squality® concept is a natural match for both private and professional kitchens.
Biotan® Plus non-stick coating.
Anti-slip handles without screws or rivets.
Oven-proof up to 180°C / 356°F 6mm warp-free base.
Already pre-colour coded for different food categories.

FRYING PAN
